

Chanson Platinum Dealers Contract Addendum

I understand that as a Chanson Platinum dealer I have access to special offers, trainings and special privileges not available to other dealers. I am considered Chansons elite.

These are the criteria I must follow to keep my Platinum dealer status.

- 1. Purchase a minimum of 4 (7) plate ionizers per year.** Dealer "buy in" machines (2) will count towards your 4 units the first year.
- 2. Sell only Chanson brand ionizers filters and pre-filters and other Chanson authorized products.** Absolutely no exceptions to this rule, Chanson will provide you with unique cutting edge products that work, you must stay 100% loyal to Chanson,

To be clear, we expect you to only sell Chanson brand ionizers, filters and pre-filters. Water dove whole house systems and any other Product found on the Chanson website: www.chansonalkalinewater.com

This does not apply to products that do not compete with Chansons products such as Juicers or air filters, things that we do not sell. If you're ever unsure call us and get authorization.

We consider your word as gold, should we discover you are selling other products, your Chanson dealership will be immediately revoked and you will have no further access to chanson products.

- 3. Non Disclosure Non-compete.** You will be receiving special trainings and be connected to company information many months before it is released to the public.

For this reason you agree to hold all private company information as well as any detailed information about products not made known to the public as completely confidential, you will not give out this information verbally or in writing for any reason. This will stay in effect for a 3 year period should you ever lose your Chanson dealership for any reason.

Again, because Chanson will share all its training and expertise with you

You will not become an importer of any other ionizers or water filtration products or sell competing products in the USA market for a period of 3 years after resigning from chanson or losing your dealership for any reason.

You understand that chanson will take all legal actions available to them should any violations of this agreement or the main Chanson dealer contract occur.

I have read and agree to all requirements of this contract.
